

Vegetation Ecologist - Permanent full time

Saskatoon, SK (other office locations will be considered)

Down to Earth Biology

Since we started EDI 26 years ago, our people have defined our culture and have been instrumental in our success. As we continue to grow, we are looking for people who are looking to make a difference by helping people and the environment.

Our benefits include:

- A challenging, engaging and rewarding work experience.
- Competitive compensation.
- Working with a team of established industry leaders who excel in the fields of Aquatic and Terrestrial Biology
- We are committed to the long-term development of our people and, therefore, provide opportunities for professional advancement (e.g., internal mentorship, professional development budget, share ownership opportunities).

EDI is seeking a qualified team member for our Saskatoon office with a professional background in vegetation ecology. The successful candidate will be contributing to a series of projects and initiatives determined by their professional interests. They will be part of a team that values mentorship.

Our ideal candidate will hold the following education and experience:

- A minimum of 5 years of related experience (or equivalent)
- B.Sc. degree in biology or related discipline(s); M.Sc. degree optional
- Registration or eligibility for registration as R.P.Bio., P.Biol. or P.Ag.
- Demonstrated experience in one or more of:
 - Terrestrial ecosystem mapping
 - Rare plant surveys
 - Wetland classification

Desirable experience or aptitudes including the following:

- Technical analysis and writing
- Communication, organizational and time management skills
- Self-motivated and responsive, yet calm demeanor in a fast-paced environment
- Experience and interest in mentoring staff and life-long learning
- Willingness to travel for field work in remote locations and/or between offices
- Class 5 driver's licence

Application deadline: March 14, 2021

*If you are ready for new challenges and a rewarding career experience, please email your resume and cover letter in confidence to: employment@edynamics.com with **EDI 2021-003** in the subject line. While we sincerely appreciate all applications, only those candidates selected for interview will be contacted.*
